

PRODUCT SPECIFICATION

General purpose gloves that provide **light cut protection** with no compromise on **suppleness** and **durability**.

Product name	<div>KRYTECH 609</div> <div></div> <div></div>	<div>KRYTECH 809</div> <div></div> <div></div> <div></div>
Cut protection level	<div>CUT PROTECTION</div> <div>LEVEL B</div>	
Standards	<div><div>EN 388</div><div></div><div>4X42B</div></div> <div><div>ISO 13997:</div><div>9,5N (968g)</div></div>	
Liner	Seamless knitted textile support in HDPE and composite fibres	
Gauge	13	
Coating	Polyurethane	
Colour	Black	
Length	21-27 cm	
Available sizes	5 6 7 8 9 10 11	
Washability	5 times at 40°C	
Packaging	1 pair individually packed 1 masterbag of 12 pairs 48 pairs by carton	
Advantages	STANDARD 100 by OEKO-TEX® - Silicone free	

There are a variety of risks depending upon the environment.
Mapa Professional provides you with a complete range of protective gloves.

Comfort

Lightweight HDPE multi-filament offers **fresh feel on the skin** and also allows an **easy donning**

Advanced platting knitting technology allows the softer yarns to be in contact with the skin for **good wearing comfort** and **flexibility**

Durability

Resistant polyurethane palm coating provides a **good durability**

Dark colour limits glove staining visibility and supports a **longer lasting use in dirty environments**

**+50%
extra
durability**

KryTech 809

between thumb and index thanks to the **reinforced nitrile crotch** that protects the glove from any early damage in this very exposed area

**Touch screen
ability**

Excellent tactile sensitivity compatible with any type of **touch screen devices**

This helps workers **stay productive** and protected as they do not need to doff their gloves

Touch screen ability **remains after washing**

Washability

Washable **up to 5 times** at 40°C without any alteration on performances allowing to **extend glove lifespan** and **reduce waste**

**Additional
features**

Silicone free to prevent traces, defects on metal sheet and glass prior to painting

Optimised individual packaging so as to **limit plastic waste**

STANDARD 100 by OEKO-TEX®

APPLICATIONS & INDUSTRIES

KryTech 609 and **KryTech 809** are general purpose gloves suitable for a large variety of industries within precision work applications that required a light cut protection level in dry and dirty environments.

Tactile device usage

Logistics tasks

Assembly work

**FOR INDUSTRIES
SUCH AS**

Automotive
White appliances
Construction industry
Metal industry

Transportation & logistics
Mechanical industry
Aeronautics
